Pure Wafer PLC

AGM Statement

Pure Wafer, one of the leading providers of silicon wafer reclaim services to the world's principal semiconductor manufacturers held its AGM earlier today at which the Chairman, Giles Clarke, made the following statement:

"Trading during this financial year remains in line with the Boards expectations, and the market sectors in which we operate have remained very satisfactory."

Pure Wafer PLC confirmed that all resolutions proposed at the Annual General Meeting held today, were duly passed by shareholders.
